Chapter 270-18 (B)(7) of the Code of the Borough of Allendale:
 7. No driveway shall be expanded or replaced without first securing the required permit from the Borough's Construction Code Official. The permit fee shall be \$100.00

Consideration should be given to the fact that Driveway's impact the Impervious Coverage which are parameters governed by Borough Zoning Ordinances. The following information is from the Zoning Ordinances.

BOROUGH OF ALLENDALE ZONING REVIEW DATA TABLE

Proper Zoning Review requires the completion of the data sheet. The "Proposed" column should include the NEW parameters which would result from building the NEW or EXISTING driveway.

	PARAMETER	EXISTING	PROPOSED
(A)	Lot Area (Sq Feet on survey)		
(C)	Other Impervious Coverage (Sq Feet house, shed, pool, patio)		

(A) **Lot Area**---This is the actual square footage of the lot.

(B) **Other Impervious Coverage**---This is the square footage of all other impervious surfaces other than that created by Building Coverage.

1. Driveways and other paved areas, patios & walkways, tennis & basketball courts, areas with interlocking "paver" stones, etc.
2. Surface area of swimming pools, decks which do not allow free drainage of rainwater through to the ground underneath.
