Mayor's Report

Mayor Barra stated that he feels DPW has done a phenomenal job in dealing with the multiple winter storms and keeping the roads clear during and after the storms

Councilwoman White added that throughout these storms the Borough maintains contact through social media among various other methods. However, the use of social media was never intended to deal with individual resident issues, for this it would be better to come directly to the Mayor and Councilmembers by e-mail and or phone.

The Mayor stated that he does not look at or read social media, so it is advised that any interested individuals directly call or e-mail him with any issues in which the resident would like a response directly from him.

On motion by Councilman Strauch, seconded by Mayor Barra Work Session was adjourned at 8:00 p.m. with all members voting in favor.

Respectfully submitted,

Andrew Casais
Municipal Clerk
