#### **HEALTH OFFICER/SANITARY REPORTS**

-The Allendale Nursing Home had some temperature issues with the steam table. Met with the director and chefs to correct this problem. Evidently they were using the steam table to heat an item rather than to keep the food at proper temperatures. Upon reinspection, I observed that they were finally logging in the temperatures and they were satisfactory.

-Complaint was received that the A&P had a leak in the ceiling in the seafood department. It turned out to be a leak from an upstairs hot water pipe that was running onto the floor below. Repairs were made the next day because all the water had to be turned off in the store.

-Performed a Chapter 24 at Bernie's Bagels and found them to be satisfactory.

-Angelo's Allendale Pizza had several violations however upon reinspection they were satisfactory.

-Received a dog bite report that a Fedex driver was bitten while delivering a package on Oakwood Road. Consulted with the County nurse and issued a Confinement/Bite Report.

-117 Franklin Turnpike – Mrs. Kullman and her son, Francisco, Carol from Tyco, and myself went to Court re feeding the feral cats around their house. They have five licensed cats and continue feeding strays which are unvaccinated and continuously breeding. The Court asked that we go to the house to take pictures of the five cats to identify which ones are their licensed ones. Unfortunately, the son was uncooperative and will have to return to Court in February. Carol mentioned that one particular cat has litters one after another and that necessitates her being caught and altered since it is not healthy or safe for her or the unborn kittens. It is most difficult for Tyco to catch these cats if they are being fed by the Kullmans.

#### **OLD/NEW BUSINESS**

-An Allendale resident will be attending the Waldwick Well Baby Clinic with her pre-schooler in March.

#### **PRESIDENT'S REPORT**

-Nothing to report.

#### **MEETING OPENED TO THE PUBLIC**

A motion to adjourn was made by Nadine Benoit and seconded by Linda Morgan. The meeting adjourned at 9:00 p.m.

Respectfully submitted,

Jean Manus, Secretary
