Taxpayer Identification# 760-423-419/000

Dear Business Representative:

Congratulations! You are now registered with the New Jersey Division of Revenue.

Use the Taxpayer Identification Number listed above on all correspondence with the Divisions of Revenue and Taxation, as well as with the Department of Labor (if the business is subject to unemployment withholdings). Your tax returns and payments will be filed under this number, and you will be able to access information about your account by referencing it.

Additionally, please note that State law requires all contractors and subcontractors with Public agencies to provide proof of their registration with the Division of Revenue. The law also amended Section 92 of the Casino Control Act, which deals with the casino service industry.

We have attached a Proof of Registration Certificate for your use. To comply with the law, if you are currently under contract or entering into a contract with a State agency, you must provide a copy of the certificate to the contracting agency.

If you have any questions or require more information, feel free to call our Registration Hotline at (609)292-9292.

I wish you continued success in your business endeavors.

Sincerely,

James J. Frustione

Congratulations on joining or renew your certification with the Statewide HUB Program!

HUB certification is an important step when introducing your products and services to Texas state government. We're here to help you succeed and guide you to resources that are designed to help your business flourish.

Your HUB certification shows you are committed to seeing your business succeed. If you haven't already done so, take your business to the next level by registering with the Centralized Master Bidders List (CMBL). In fiscal 2014, Texas state government awarded more than \$2 billion in contracts to companies certified as HUBs.

CMBL registration increases your chances of doing business with the state because state entities must search the CMBL when planning to buy goods and services that cost more than \$5,000. Based on the results of their search, state entities contact vendors directly by mail, fax, email or phone with invitations to bid on the items they need. The CMBL includes each vendor's HUB status, a vital search criterion because of the state's commitment to include HUBs in the bidding process. The CMBL registration fee is \$70 annually (approximately \$5.83 per month) and could open the door to thousands of dollars in new revenue for your business.

State entities contact vendors directly by mail, fax, email or phone with invitations for bids. Keep your vendor profile up-to-date. A current profile is crucial to accurately reflecting your business's goods and services and helping state purchasers contact your business.

You can register for the CMBL on the Comptroller's TxComptroller eSystems (formerly MyCPA) secure portal website. You can also manage your vendor profile for both the HUB Directory and CMBL at this website.

Please visit our website at <http://www.window.state.tx.us/taxinfo/taxforms/76-152.pdf> for detailed instructions for accessing the CMBL/HUB Vendor Registration System using the Comptroller's TxComptroller eSystems secure portal. If you have not previously used the Comptroller's TxComptroller eSystem secure portal, you will need to enter the personal identification code (beginning with RG referenced at the top of this letter) when performing step 7 of the instructions.

Welcome to the Statewide HUB Program and we wish you much success in your business endeavors!

The Texas Comptroller of Public Accounts (CPA) administers the Statewide Historically Underutilized Business (HUB) Program for the State of Texas, which includes certifying minority- and woman-owned businesses as HUBs and is designed to facilitate the participation of minority- and woman-owned businesses in state agency procurement opportunities. The CPA has established Memorandums of Agreement with other organizations that certify minority- and women-owned businesses that meet certification standards as defined by the CPA. The agreements allow for Texas-based minority- and women-owned businesses that are certified with one of our certification partners to become HUB certified through one convenient application process.

In accordance with the Memorandum of Agreement the CPA has established with the Houston Minority Supplier Development Council (HMSDC), we are pleased to inform you that your company is now certified as a HUB. Your company's profile is listed in the State of Texas HUB Directory and may be viewed online at <http://www.window.state.tx.us/procurement/cmbi/hubonly.html>. Provided that your company continues to remain certified with the HMSDC, and they determine that your company continues to meet HUB eligibility requirements, the attached HUB certificate is valid for the time period specified.

You must notify the HMSDC in writing of any changes affecting your company's compliance with the HUB eligibility requirements, including changes in ownership, day-to-day management, control and/or principal place of business. Note: Any changes made to your company's information may require the HMSDC and/or the HUB Program to re-evaluate your company's eligibility. Failure to remain certified with the HMSDC, and/or failure to notify them of any changes affecting your company's compliance with HUB eligibility requirements, may result in the revocation of your company's certification.

Please reference the enclosed pamphlet for additional resources, such as the state's Centralized Master Bidders List (CMBL), that can increase your chance of doing business with the state.

Thank you for your participation in the HUB Program! If you have any questions, you may contact a HUB Program representative at 512-463-5872 or toll-free in Texas at 1-888-863-5881.

Texas Historically Underutilized Business (HUB) Certificate

Certificate/VID Number:	1760423419900
File/Vendor Number:	55938
Approval Date:	09-OCT-2015
Scheduled Expiration Date:	30-SEP-2016

In accordance with the Memorandum of Agreement between the
Houston Minority Supplier Development Council (HMSDC)
and the Texas Comptroller of Public Accounts (CPA), the CPA hereby certifies that

CHASTANG ENTERPRISES, INC

has successfully met the established requirements of the State of Texas Historically Underutilized Business (HUB) Program to be recognized as a HUB. This certificate, printed 05-NOV-2015, supersedes any registration and certificate previously issued by the HUB Program. If there are any changes regarding the information (i.e., business structure, ownership, day-to-day management, operational control, addresses, phone and fax numbers or authorized signatures) provided in the submission of the business' application for registration/certification into the HMSDC's program, you must immediately (within 30 days of such changes) notify the HMSDC's program in writing. The CPA reserves the right to conduct a compliance review at any time to confirm HUB eligibility. HUB certification may be suspended or revoked upon findings of ineligibility. If your firm ceases to remain certified in the HMSDC's program, you must apply and become certified through the State of Texas HUB program to maintain your HUB certification.

*Paul Gibson, Statewide HUB Program Manager
Texas Procurement and Support Services*

Note: In order for State agencies and institutions of higher education (universities) to be credited for utilizing this business as a HUB, they must award payment under the Certificate/VID Number identified above. Agencies and universities are encouraged to validate HUB certification prior to issuing a notice of award by accessing the Internet (<http://www.window.state.tx.us/procurement/cmbi/cmbihub.html>) or by contacting the HUB Program at 1-888-863-5881 or 512-463-5872.

INFORMATION ABOUT THE PROGRAM

FREQUENTLY ASKED QUESTIONS (FAQS)

Q: What is H-GAC?

A: The Houston-Galveston Area Council (H-GAC) is a regional council of governments operating under the laws of the State of Texas and governed by a board comprised of 36 elected officials from the 13 county region. The H-GAC Board awards all contracts, which can then be made available to local governments nationwide thru HGACBuy.

Q: How does HGACBuy work?

A: Government entities join by executing an Interlocal Contract to participate in HGACBuy. This document sets out the conditions, requirements and processes through which an entity's purchase orders are received, confirmed to contract and processed.

Q: Can my entity purchase through HGACBuy?

A: The Texas Interlocal Cooperation Act permits joint participation by local governments, states, state agencies, and certain non-profit corporations. Most states have interlocal cooperation authority or other joint power provisions that allow participation in cooperative activities.

Q: I have to advertise for bids therefore I can't purchase thru HGACBuy.

A: HGACBuy uses mass circulation, minority emphasis print media, and internet services to post legal notices and bid solicitations. Therefore, posting of public notices to solicit bids and the formal competitive bid process are satisfied thru HGACBuy procedures.

Q: What other services are offered through the HGACBuy program?

A: Researching products, writing specifications, holding pre-bid conferences, assisting with order placement, contacting vendor reps, helping to resolve order issues, and reviewing and certifying purchase orders to confirm compliance with any specific HGACBuy contract.

Q: What is the difference between HGACBuy and some other cooperatives?

A: HGACBuy is a unit of local government and a political subdivision of the State of Texas. The HGACBuy Program is over 30 years old and specializes in high ticket, capital intensive products and services that require technical, detailed specifications and extensive professional skills to evaluate bid responses. All products offered through HGACBuy have been awarded by virtue of a public competitive process. There are no annual membership dues required to purchase thru HGACBuy.

Q: Where do I find information on products offered through HGACBuy?

A: Access HGACBuy's web site at www.hgacbuy.org for a complete listing of products with descriptions, prices, contractors and/or contacts.

Q: What products are available thru HGACBuy?

A: Primarily, products that are utilized in Public Safety, Public Works, and Communications, in addition to professional consulting, personnel and financing services. A wide variety of capital equipment is under contract, and thru a unique feature of HGACBuy it can be customized through the use of published and unpublished options to fit your specifications and requirements.

Q: Can I purchase on-line?

A: Because of the nature of most of the products and services we have under contract, we prefer that you speak with a contractor's representative and get a detailed price quote before placing an order. This is to insure that you get what you want, configured like you want it. Use the HGACBuy website to for basic information and to get the contractor's telephone and email address. After you receive your written quotation and have reviewed it, prepare your purchase order to the Contractor and fax a copy to HGACBuy.

Q: What does it cost to join HGACBuy? How is HGACBuy funded?

A: HGACBuy is a self-funded "Enterprise Fund" government agency, self-supported thru an administrative fee assessed to the contractor. An "Order Processing Charge" (Administrative Fee) will appear on quotation forms for purchases of motor vehicles in the State of Texas in accordance with State of Texas, Department of Transportation, Division of Motor Vehicles requirements.

Q: What are the benefits of HGACBuy? I want to inform my elected officials and staff:

A: We give you access to volume purchasing and discounts. • We put over 200 years of combined purchasing experience to work on your behalf. • We write technical specifications eliminate the need to hire consultants for that purpose. • We absorb the costs associated with publishing legal notices. • We offer you an expedited procurement process so you need not be delayed for months preparing specifications and satisfying all of the other requirements for competitive bids and proposals.

Q: Where to send my payments to H-GAC?

A: Sending Coop Payments to H-GAC:

In order to avoid delays in the receipt and/or application of your remittance we recommend that you forward all Coop payment checks made payable to the Houston-Galveston Area Council and sent to our bank lock box P.O. Box 301427, Dallas TX 75303-1427. On all remittances please reference the H-GAC invoice number(s) you wish payment to be applied.
