## A MESSAGE FROM MAYOR AMY WILCZYNSKI

It didn't take long for the air to cool and the autumn leaves to start wafting in the air. As soon as Crestwood closes and Clan Na Vale pipes out the season, it's like a switch is flipped.

This time of year is always an exciting and a somewhat uncertain time for parents and kids as they navigate back to school. Some starting new chapters like becoming a freshman in high school or moving away from home for the first time, as they get dropped off to college. With calendars filling up, many are racing to drop off and pick up kids and head to games and practices. We encourage parents to stay present and aware when driving and please give yourself extra time and SLOW down.

As I am writing this, I am also preparing my 9/11 speech. I'm sure I will see many of you at our beautiful candlelight ceremony. **We must never forget.**

The Borough is busier than ever. We are constantly looking for new ways to foster transparent government. Make sure to stop by our tent on festival day, **Saturday September 21st**. We will be assisting residents to sign up for all of our communication platforms. You can also sign up to receive newsletters by mail if you do not have a computer.

On **September 17th**, we will also be hosting the 3rd in our series of town halls. The DEP and TYCO are the guest speakers and will present facts on deer management. This has been the number one complaint from residents, but it is also a triggering topic. I hope everyone comes out to listen objectively as we weigh all of our options and make informed decisions on next steps.

Many have been asking about the **new community center**. While it looks done from the outside, we are still working on getting the systems and operations up and running from the inside, including out new state of the art entrance and calendar system. This is sure to be exciting addition to the Borough!

We are planning *Cones with the Cops & Mayor* on **September 20th** from 3:30-4:30 outside at Borough Hall. Come out for an ice cream cone, meet some of our new officers and ask questions about anything around town!

I hope everyone read the Mayors Memo on Fair Share Housing. We will monitor and continuously update residents on this very important state-wide issue. In the meanwhile, our Fair Share Housing team has been submitting all the necessary documents required to ensure 100% compliance.

The last phase of the **streetscape** will be starting in the next month. The final two streets to be upgraded are Demercurio and Central (by the train station). This project has been funded by DOT grants.

Come on out to one of our council meetings. We've spruced up Borough Hall and would love to see you!

Please stay informed: click to [sign up for constant contact](#), [Swiftreach](#) (now called RAVE) and follow the [Mayor Amy Wilczynski Facebook](#) and [Instagram](#) pages as well as the [Borough Facebook](#) page.

## Important Note...

Right-of-ways (usually 10 feet from the curb) are **NOT** Borough property.

They are the residents' properties that the town has the right to use for sidewalks, tree plantings, etc. Removal of dead trees in these areas does not fall under the responsibility of the town.

Only shade trees, that the Borough has planted, are the town's responsibility.

## Garbage & Recycling Reminders

- All items should be put out starting at 6pm the night before the scheduled collection.
- Building materials and wood pallets are not collected by our garbage contractor. You must make your own arrangements to dispose of them.
- You must schedule a one-time, courtesy move-out pickup with info@AllendaleNJ.gov at least 4 WEEKS in advance. No metal, electronics, or recyclable materials collected.
- Remember to make sure that the lids are securely on top of your cans, especially garbage. This will help keep wildlife at bay.
- Collection containers can be no larger than 30 gallons.
- Bulk Trash must be placed on the curb and not placed in the road.
- Food containers being recycled need to be rinsed and cleaned before you dispose.
- Soiled pizza boxes are garbage and NOT recyclable.

**PLEASE DO NOT LEAVE ANY DEBRIS IN THE ROAD: branches, scrap metal recycling, cardboard recycling, bulk trash, leaves, etc.**

*Your town may offer these recycling services.  
Check with your Department of Public Works (DPW) or town website for program details.*

# ALLENDALE AMBULANCE CORPS

## Serving since 1937

Allendale Volunteer Ambulance Corps' President and lifelong Allendale Resident, Denis Murphy has been an active member of AVAC as an Emergency Medical Responder (EMR), Emergency Medical Technical (EMT), Driver, Crew Chief, driver-trainer, and former AVAC Chief. Those who have been in town for a bit, will remember Denis as a former Allendale DPW employee. A member of Allendale Fire Department and a former Fire Instructor at the Bergen County Police and Fire Academy, currently Denis works as the Senior Field Service Technician for Northeast Fire and Safety. Denis' cites five different times over the years when he had especially exciting ambulance calls—each time delivering a baby in the back of the Ambulance!

## AVAC's MONDAY NIGHT CREW

If you experience a medical emergency on a Monday evening, Ariane Hertenstein (L) and Patty Murphy (R) will come to your aid! A member of AVAC for 6 years, Ariane is an EMT, Driver, Crew Chief and AVAC's 1st Lieutenant. Ariane lives in Waldwick with her husband Craig and joined Allendale because AVAC was a comfortable fit for her. Needless to say, as a mom of two young girls, she doesn't have much spare time, but says the AVAC family has become a second family to her! Ariane's day job is as an Administrative Assistant for a local police department. Ariane says it is hard to choose just one memorable ambulance call, citing that her favorite part of being an EMT is when someone is having a bad day or is worried about what might happen with their medical emergency and she can distract them with a good conversation and be a calming force for them.

Patty is married to fellow AVAC member, Denis Murphy. (Fun Fact! There are 3 active duty Couples on AVAC's squad!) Patty primarily drives the ambulance on Mondays, but is also a super Event Planner for AVAC! As a stay at home mom of two, Patty originally got involved with AVAC when the kids grew up. Now a proud new grandma, she is currently a school crossing guard, is learning sign language, and when she has spare time, is an avid reader. Patty's most memorable call was the night she was caring for a deaf patient and found she was able to communicate with them through her sign language skills!
