

A MESSAGE FROM MAYOR AMY WILCZYNSKI

Summer is in full swing. Crestwood is booming! Don't forget to check out the **summer concert series** at the lake: it's open to all residents. We have a great lineup planned, including a movie night sponsored by Allendale Ambulance Corps on August 3rd!

The Fourth of July is such a quintessential Allendale Day. I love seeing the entire community come together for old fashioned fun during the day and then ending the night with an amazing fireworks show. Thank you to the Holiday Observers for always running a perfect holiday event.

Phase 5 & 6 of **the downtown streetscape project** will begin sometime in August. The pavers will continue along Central Ave (along the tracks) and along DeMercurio Dr. This project is primarily paid for through DOT grants. The Borough always takes advantage and has had great success with all sorts of grants when they come available. In addition to the streetscape, in the past year we've applied for grants for the community center, concession stand, tennis courts, new ADA bathroom for the firehouse and various improvements to Borough Hall and Crestwood. We have received notification already that most will be approved. Over the years we have received millions of dollars in state, county and federal funding that would have otherwise been paid by taxpayers. Our motto is, If you don't ask, you don't receive!

We celebrated and honored our Allendale residents who are serving in the military at **Armed Forces Day**. This is the second year we've done this and plan on making it another wonderful Allendale tradition. Thanks to military families, the Harts and Winters, for your help in bringing this community together. This event has created a wonderful group of support for the families as well as the 'kids' serving.

MAYOR'S MESSAGE CONTINUED...

The building of **the community center** at 210 West Crescent is moving along quickly and we hope it will be completed and in use for the Allendale community by year-end. You can see the improvements daily as you drive by. Check out the video updates on the Mayor Amy Facebook and Instagram pages.

As a brief review of the project, the Borough Hall offices and library will remain at 500 West Crescent. Original plans for 210 West Crescent were to create a 2-story building which would include the borough clerk's office, finance offices and building department. This plan would have then provided space for the library to move into the current borough offices. Unfortunately, COVID changed everything. After the pandemic, building and related costs became exorbitant, and supply chain issues were causing severe delays in material deliveries that were jeopardizing the project. If we had lost our developer, the borough would have been required to go back out to bid and risked having the next bidders proposing hundreds of units.

After much analysis and discussion, the 210 West Crescent community center building was redesigned as one floor without the borough offices. Post COVID, we worked differently and more remotely, and ultimately decided that we could efficiently utilize the borough offices at the 500 West Crescent building. More importantly, we could not justify the increased price tag.

The building was built with optionality, meaning it can easily have a 2nd floor added on in the future if need be. While the library was excited about the prospect of expanding, the trustees understood cost management and the ballooning price tag of the project and were supportive of the decision to have the borough offices remain in place. The community center will be an exciting addition to Allendale, providing much needed activity and meeting space. Stay tuned for more updates.

Finally, the Fair Share Housing issue is on the forefront of my daily discussions. I plan on keeping everyone informed as we navigate through the new rules and obligations. Our team of experts met again this week, and we were told Allendale is in much better shape than most municipalities. We want what's best for Allendale and fair for the overarching goal of affordability. Stay tuned...

Please stay informed: click to <u>sign up for constant contact, Swiftreach</u> (now called RAVE) and follow the <u>Mayor Amy Wilczynski Facebook</u> and <u>Instagram</u> pages as well as the <u>Borough Facebook</u> page.

Community Center Update

The Allendale Community Center is located at 210 West Crescent Ave. It will be available for all Allendale residents to use for meeting and recreation space.

As you look at the building from the front, the left side is a large room with a divider to make it into two meeting rooms. There will be TVs set up for presentations and a kitchenette area.

ALLENDALE AMBULANCE CORPS SERVING SINCE 1937

CONGRATULATIONS TO OUR YOUTH SQUAD GRADUATES!

Allendale Volunteer Ambulance Corps runs an incredible Youth Squad program. This program begins by training High School aged students as National and NJ registered EMTs. Youth Squad members are then assimilated into the AVAC duty crews and become active participants on all AVAC's calls, mentored and encouraged by our adult volunteer members who have been riding for years. FYI, Our volunteer members hold "day jobs" which include: Engineers, lawyers, Accountants, plumbers, stay-at-home moms and dads, caregivers, college professors, nurses, & EMS professionals.

Are you 16 + years old? Experience the satisfaction of helping our fellow residents, someone in need, or just to learn how to assist your own family members in a time of need--Join Allendale Volunteer Ambulances Corps! We will train you! For more info, Call AVAC's Chief at: 201-587-4008. On Friday night, June 21, AVAC was excited to stand-by at Northern Highlands' Graduation and celebrate the accomplishments of 4 of our Youth Squad Members--Valedictorian Isha Korgaonkar, Danielle Larsen, Sydney Wishik and Ryan Rahman!! Great job! We are honored to be a small part of your huge success!!

That is all there is to it! Once you have signed up, you will receive email notifications before your payment is set to be processed.

FEMA's Community Emergency Response Team (CERT) program educates citizens about disaster preparedness for hazards that may impact their area and provides training in basic disaster response skills, such as:

- Fire safety
- Light search and rescue
- Team organization
- Shelter fundamentals and management
- Disaster medical operations
- Disaster psychology

If you are interested in learning valuable skills to help family, friends, and neighbors during a disaster or emergency, consider joining Allendale's Community Emergency Response Team. You can contribute and make a difference even if you don't have a significant amount of time to volunteer. The next CERT Basic Training course is scheduled to run from September 26th through November 9th in Paramus. For questions about CERT, email <u>allendalecertcoordinator@gmail.com</u>.
