## A MESSAGE FROM MAYOR AMY WILCZYNSKI

Spring is here but it feels like winter today. Hopefully the new buds will survive the freezing temperatures!

We had our first of 4 town halls last month, where over 50 people attended. These casual, less structured meetings seem to be a lot more popular than our regular Mayor & Council meetings! We love talking to residents and answering your questions, and we always encourage residents to reach out. **The next town hall is scheduled for June 3rd at 7pm.** The town halls are held at the community center. Council members and I will be in attendance to update you on things happening around town, listen to your feedback and answer any questions you may have.

Our **annual budget meeting is on April 24th at 7pm** where we will present the 2025 operating budget. We are very happy to be able to tell you that the total tax rate is .54% which equates to a \$22 increase on the average priced home. Our auditor and CFO will be present to discuss the budget in detail and answer any questions. Our new budget newsletter should be arriving in the mail soon as well!

Opening Day for Allendale Recreation Commission (ARC) is May 3rd. Our very own Officer Mark Dunn will be throwing out the first pitch.

Also on **May 3 is Spring Clean Up in Allendale!** The Allendale Green Team will be collecting electronics, styrofoam, clothing, plastic bags and more. It's the perfect time to spring clean and get your old stuff hauled off so it doesn't contribute to the landfill or add to the town's tipping fees!

The new concession stand is moving along as well as preparations for Crestwood Lake. Registration will be open soon. Please consider joining! See more about this from Councilman Tyler Yaccarino, Chair of Facilities, Parks and Recreation in this month's newsletter.

Our community center is buzzing with activity. We are going to have a few educational events for the community in the near future that will provide assistance on topics like planning your will to services like obtaining a passport. Stay tuned for details and dates!

Our new website has been launched! We wanted to make sure the website was clear and easy to access and navigate with less confusion. The search feature to quickly find what you need with little effort and minimal clicks. Please have a look!

Lastly, the Fair Share Housing team has been very busy working with our experts and the courts to meet the imposed deadlines to ensure compliance with the rules set forth to us. I know this topic is on everyone's minds and I want to assure you we are extremely engrossed in this process. There will be a separate mayor's memo coming out soon with much more detail.

Please stay informed: [sign up for alerts and emails](#) and follow the [Mayor Amy Wilczynski Facebook](#) and [Instagram](#) pages as well as the [Borough Facebook](#) page. Also feel free to [contact any council member or myself](#).

If you know someone who does not have access to a computer, please let us know so we can mail them Borough updates.

Please say hi anytime you see me around town!

Mayor Amy Wilczynski

Dear Allendale Community,

As Chairman of the Facilities, Parks, and Recreation Committee, I'm excited to share not only news at Crestwood Lake, but also some exciting updates across our parks, fields, and Borough facilities that reflect our continued investment in the quality of life here in Allendale.

After much anticipation, the brand-new Crestwood Lake Concession Stand construction is well underway! Designed by Allendale's own Steven Koniuk of Konstruct, this modern facility offers expanded snack service and upgraded restrooms that will make your lake days even better. We can't wait for you to enjoy it all summer long.

Of course, summer at Crestwood isn't complete without events. Our team is working on another fun-filled season including the return of Band Nights, Movie Night and more. Stay tuned as we finalize the summer lineup.

Beyond the lake, the Facilities, Parks, and Recreation Committee has been hard at work on several borough-wide improvements:

- Thanks to the leadership of CFO/Borough Administrator Alison Altano, we've completed several interior improvements at Borough Hall, making it more functional and welcoming for staff and residents alike.
- The Grandstand parking lot is being paved end-to-end.
- We're also proud to announce the return of our field maintenance program, through a strengthened partnership with the Allendale Recreation Commission (ARC). As part of this initiative, Field 3 (Brookside) is undergoing a full renovation, while our DPW is hard at work on upgrades across other playing fields to improve safety and playability.
- We are currently in an evaluation phase for our Tennis Courts at the Red Barn, looking to update and rehab the courts for tennis, pickle ball, basketball, and more.

These projects are the result of strong collaboration between Borough departments, commissions, volunteers, and our outstanding DPW team, led by Superintendent Andrew Agugliaro. Their efforts help ensure Allendale's recreational spaces are places we can all take pride in.

On behalf of Mayor Amy Wilczynski, the Borough Council, and the Facilities, Parks, and Recreation Committee—I want to thank you for your support and engagement. We look forward to seeing you out in the community, enjoying everything Allendale has to offer.

Sincerely,

**Councilman Tyler Yaccarino**  
Chairman, Facilities/Parks/Recreation

**Mayor Amy Wilczynski**  
**Councilman Ed O'Connell**  
Members, Facilities/Parks/Recreation

- Aluminum cans, foil
- Aseptic packaging (ex. soup, milk containers)
- Metal cans & empty aerosol cans
- Green, clear & brown glass bottles and jars

\*\*Please note that there are 2 separate trucks that pick up recyclables.

## WALKING SAFELY IN TOWN

### SIDEWALKS FIRST

If a sidewalk is available, pedestrians should use it.

### FACE TRAFFIC

When there's no sidewalk, pedestrians should walk *on the left side of the road*, facing the direction of oncoming traffic.

Walking on the left side of the road allows pedestrians to see traffic approaching them, increasing their visibility to drivers.

### KEEP DISTANCE FROM TRAFFIC

Even when walking on the left side, pedestrians should try to stay as far away from the roadway as possible, ideally on the shoulder.

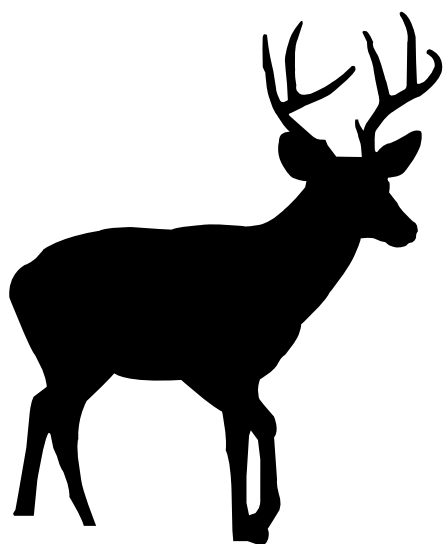

### VISIBILITY

Wearing light-colored clothing and reflective materials can improve visibility, especially at night.

**PLEASE FOLLOW THESE GUIDELINES  
AND STAY SAFE!**

# DO NOT FEED THE DEER

**FEEDING DEER IS PROHIBITED  
(ORD # 93-36)**

**ANYONE CAUGHT FEEDING THE DEER

Property Taxes  
are due May 1, 2025.

The Grace Period ends  
May 10, 2025.

Payments can be made online at [allendalenj.gov](http://allendalenj.gov)  
or by clicking here

OR

Checks can be mailed or dropped off at:

Borough of Allendale  
500 W. Crescent Avenue  
Allendale, NJ 07401

If paying by check, please make sure your check  
is signed and dated correctly.

We DO NOT accept post-dated checks!

## *A Note from the Construction + Zoning Office*

Pools capable of holding twenty-four  
inches (24") of water or more,  
regardless of cost or whether portable  
or fixed, are subject to the Borough's  
zoning requirements (270-32), and  
require a permit and inspections from  
the building dept. In addition, a pool  
compliant fence is also required.

# ALLENDALE Community Services Series

*Presents*

## AROUND THE COUNTY

# LIGHTNING DETECTORS

The lightning detectors are installed at the Grandstand Field, Crestwood Lake, the Red Barn @ Crestwood, and the High School with the home base being the Allendale Police Station. No matter what field or park you are in the sirens can be heard, and outdoor activities must stop immediately at the sound of the alarm or flashing white light.

Lightning is detected within a radius of 20 miles and 10 miles, however the alarm will only sound when lightning is detected within a five-mile radius between the hours of 8 a.m. and 9 p.m. Monday through Sunday. The initial warning sounds like a police siren. In addition to the initial warning the lightning detector will have a blinking light which continues to be activated until all clear warning is sounded. The all-clear warning sound is different than an alarm mode sound. Please familiarize yourself with the sound of the alarm tone at [www.wxline.com/wave-siren](http://www.wxline.com/wave-siren).

The time that must elapse between the last lightning strike and all clear signal is 30 minutes. Every time a lightning strike is detected, the 30-minute clock is reset. If you see the lightning detector flashing, lightning has been detected, and the field is off limits. If you are on the field, practices or games should stop immediately and everyone should leave the field seek shelter, either indoors or in a car. This includes those that may be walking the track or simply hanging out with friends.

The safety of our community is our highest priority!

Thank you!

~ Allendale Police Department

# ALLENDALE AMBULANCE CORPS

## Serving since 1937

*Teams lining up during AVAC's Scavenger Hunt!*
