## A Message from Mayor Amy Wilczynski. . .

Happy New Year! I hope everyone had a wonderful holiday season. We are well into the year at the Borough. This year, we've implemented new committees to better serve residents. Please see the names and contact info at the end of this newsletter. If you have a question or comment that falls into a particular committee, they can be directed toward the councilperson who chairs the committee. We are all accessible to residents to answer any questions or concerns, so don't be shy!

Each committee is also busy structuring plans and goals for the year. We look forward to sharing these with the community and getting feedback at one of our upcoming town halls.

### Council Committees: (please see emails at end of newsletter)

**Finance, Human Resources, Administration & IT** - Chair: Susanne Lovisolo & Co-chair: Liz Homan

**Public Works & Public Utilities** - Chair: Joe Daloisio & Co-chair: Liz Homan

**Land Use & Construction Code** - Chair: Susanne Lovisolo & Co-chair: Joe Daloisio,

**Facilities, Parks and Recreation** - Chair: Tyler Yaccarino & Co-chair: Ed O'Connell

**Public Safety** - Chair: Matt O'Toole & Co-chair: Tyler Yaccarino

There are a few big projects underway that are worth mentioning. The walls are going up in our community center at 210 West Crescent. We received the project schedule and expect the building to be complete by the end of the summer. This will be a great addition to our community with much needed meeting and gym space. There will also be a new concession stand at Crestwood Lake. The current one is in dire disrepair; plans are just about finalized to build a new one. Unfortunately, we don't expect it to be complete for next season as the municipal bidding process is quite long. We are also sprucing up the current chambers at Borough Hall with a fresh coat of paint and historical pictures. The 2024 meeting dates are set, hope to see some of you at our meetings this year.

At the recent NW Bergen Mayors meeting, we discussed Wildlife management. The overpopulation of deer has become a significant problem in this area. It's one of the biggest complaints I receive as Mayor. The issue is bigger than deer eating our flowers and trees, there is a growing impact on the imbalance of the ecosystem. In addition to a significant increase in car accidents and a spike in Lyme disease. Working with the neighboring communities is the only way to make a difference. The NJDEP agreed to speak with our residents on the pros and cons of available options, please look out for the date and I strongly encourage all to attend.

We have had an unprecedented amount of rainfall that has exacerbated flooding within the Borough. We have formed a 'Flooding Committee' to look at various ways to potentially mitigate this. There is not one easy solution so we are looking at a multi-pronged approach to address this. We encourage all residents to make sure they do not block any drainages with leaves or debris and to clear off any storm drains that are clogged with snow or leaves.

Some important events coming up:

March 11th to March 15th NJ MVC Mobile Unit (More Information to Come)

March 28 Community Blood Drive at AFD

April 27 Spring Cleaning & Recycle Day (More Information to Come)

Please sign up for constant contact, Swiftreach now called RAVE, and follow the Mayor Amy Wilczynski and Borough FB pages so you are always informed. Also, feel free to contact any council member or myself and say hi anytime you see me around town!

# The Allendale Centennial Wall Mural Project

Thirty years ago, a group led by Stiles Thomas wanted to bring the community together to commemorate the 100th anniversary of the Borough by creating a mural that highlighted aspects of the Borough's history. George Takayama was the art director and the mural was painted by volunteer residents.

Now, three decades later, in the spirit of the mission of the original mural, we are once again creating a new, unique, and modern mural. The tenants are the same as they were 30 years ago, merging Community, History, and Art.

- Allendale resident and sculptor, Simon Rigg is heading up this exciting endeavor.
- Allendale Historian Fred Litt is providing input on the historical element.
- Students of Hillside, Brookside, and NHRHS will create the design and ceramic elements.

Images will be applied with both paint and ceramic. The design will be rich in color and three-dimensional. The mural will feature places in Allendale that will be recognizable to residents from ages 8 to 80.

The planning has started, and we are seeking volunteers to help with PR and fundraising. This is an exciting project to be a part of Allendale history. The entire process will be documented with photos and film for future generations to view and reflect on as an archival record for the Borough.

The Allendale mural project will result in a magnificent and unique piece of art. It will instill a sense of community and pride and be a beautiful centerpiece of our downtown.

### Allendale Volunteer Ambulance Corps - A FREE Ride!

A recent article in the Town Journal (December 28, 2023 "Surprise Bills from Ambulance Rides can be huge Expense in NJ) stated that of the "3 million insured patients who ride in an ambulance each year, half will end up with a surprise bill"—often as high as \$1,200 each transport. However if you have an medical emergency in Allendale and are transported by the Allendale Volunteer Ambulance Corps, **YOUR RIDE IS FREE!** That's right! # AROUND TOWN...

On January 4th, Allendale's Mayor and Council held its annual Reorganization Meeting. Councilmen Ed O'Connell and Joe Daloisio were sworn in to their term on the Council. We also had the swearing-in of our new Borough Administrator Alison Altano, Allendale's new Superintendent of Public Works Andy Agugliaro, and our new Municipal Judge Christopher Botta.

Rounding out this great evening was the swearing-in of our Allendale Fire Department and Volunteer Ambulance Corps leadership. Last but not least, we had the swearing-in of Allendale's newest Police Officers Nicholas Antonelli and Christopher Rosado.

Congratulations to all, and thank you for your service to Allendale!

At the December 21st Mayor and Council Meeting, we honored Allendale's Administrative Officer and Director of Operations, Ron Kistner. After nine years serving Allendale, Ron is retiring. Thank you, Ron, for your hard work and dedication to our Borough! Good luck and best wishes on your retirement!

# ALLENDALE HISTORY

FRED LITT  
BOROUGH HISTORIAN

## WEST ALLENDALE AVENUE STREETScape

The “look and feel” of the West Allendale Avenue business district has gone through many evolutions and a few revolutions since Allendale became a borough in 1894. We provide two historic photos to give you an idea how much change has taken place over the last century. In both images, the photographer is standing in the West Allendale Avenue roadway, near the intersection of Maple Street.

The first photo is from a postcard, dated 1906. The white fence at left was replaced by the Braun building in 1911. The house on the right was moved to High Street to make room for retail stores.

The second photo is from 1938. If you need help comparing the two images, notice the Allendale Meat Market at center in the 1906 image. In the 1938 image, Temperlyn’s Pharmacy can be seen at that location, housed within the Guatelli Building, built in 1915. Today, Fino Ristorante serves local diners there.

In more recent times, West Allendale Avenue has gone through several streetscape upgrades. In 1990, the council approved a makeover of the West Allendale Avenue shopping district to include paver sidewalks, additional parking, updated lighting, and removal of aboveground utility poles and wires. On June 16, 1992, the Allendale borough clock honoring Mayor Clarence “Curly” Shaw’s effort to revitalize the shopping district was installed in the traffic island that intersects Myrtle and West Allendale Avenues. During 2020–2021, aided by \$662,000 in Department of Transportation streetscape grants, the business district was refreshed with new, richly colored pavers, trees, and traditional-style light posts, all chosen to create a classic and timeless look.

Allendale Circle of Support distributed holiday gift bags to nearly 200 senior members of our community in December. The initiative aims to show appreciation and bring joy to during the festive holiday season to this valuable population. Responses from the recipients attest to the success!

Sponsors of the bags included the Borough of Allendale, Allendale Dental, *Autumn Years* Magazine and Bergen County Department of Health.
